FILM MADRID

Oficina de Promoción de Rodajes
de la Comunidad de Madrid

Region of Madrid Filming Promotion Office

T A X I N C E N T I V E S

At least a 30% tax rebate in the first million euros in local expenses and a 25% over 1 million, limited to 10 million.

1 million euros is the minimal amount of expenses to be eligible and 200.000 Euros for animation and VFX.

THE REGION OF MADRID OFFERS

- ☆ **Wide range and versatility of localizations with great narrative potential and easily accessible.** More than 300 sunny days in a year, the region provides different landscapes from wintry and snowy to summery and desert-like.
- ☆ **The largest variety of production companies and qualified professionals with experience and proven quality.** More than 3000 enterprises: production and postproduction companies, VFX and animation studios, at a competitive cost.
- ☆ **Excellent transport and communication facilities.** Fast and efficient connections within the region and the rest of the country and the world.
- ☆ **The best service infrastructure in the world.** An extensive cultural, accommodation, gastronomic and leisure offer that complete the wide choice of services of the region.
- ☆ **Security and quality of life.** The standard of living is one of the most relevant elements in the process of choosing the region of Madrid as shooting destination for audiovisual projects
